

VTNS1060A

Network power supply for IP System

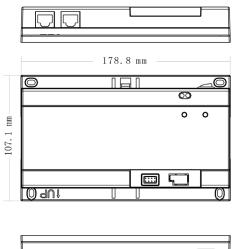

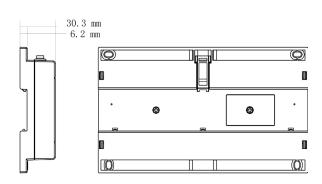

Features

- Decent appearance
- · Dahua protocol network power supply switch
- · Connect max 6 indoor monitors with the Cat 5e cable, transfer the signal and power together

Technical Specification	
Voltage	24V
Power Consumption	Standby consumption: 0.2W (under free load), Max consumption: 45W (under full load)
Working Temperature	-10°C~+55°C
Dimensions	178.8mm*107.1mm*30.3mm(L*W*T)
Weight	0.3 Kg

Dimensions

Rev 001.001
